1. How can I be nominated?

Nominations run via our website from September 1, 2011 to December 31, 2011 *Anyone with a “valid” e-mail address can nominate an individual. Spins, Sales, etc. do not dictate who makes or doesn’t make the ballot!

2. How does one make it on to the actual ballot?

After our nomination period we narrow all of the names submitted in each category to the top 5 names based on number of nominations received.

After the “Official” KCEA ballot has been created we post the ballot onto our website for people to vote for their favorites in each category. The person with the most votes wins. It’s that simple.
